

FLASH PHOTOBITION

Case Study

2003 Rugby World Cup

Banner Stands

Flash Photobition manufactured and printed 150 banner stands for games venues, major clubs and other locations around Australia. We managed the logistics, collation, distribution and installations at various locations.

Flash Photobition project managed major signage in the lead up to The Rugby World Cup. The Bay Swiss Store in George St Sydney was transformed into a Rugby merchandising store for 3 months and later reconfigured back again.
