

## ShopCable TV®

*still images and video, the perfect combination*

Combining our range of **ShopCable TV®** digital media MPEG players and ShopCable® light boxes you can create eye catching visuals that can also play video and sound.

The system is really simple, you plug it in and it starts playing, no rebooting, no keyboard and no calling expensive computer technicians.

You can create any combination of light box and MPEG video player to suit your requirements.

Our players and light box solutions can be mounted from the ceiling, floor to ceiling or wall to wall. Our screens can be integrated into your point of sale material. Freestanding counter solutions are also available.

The screens and lightboxes can be hung portrait or landscape.

The **ShopCable TV®** system can be installed by your local electrician.
